

2015 / 2016 cabin Rules

Cabin Rules for the Ripple Ridge Cabin

Here is a list of simple rules we ask that you follow in order to maximize everyone's enjoyment of the "cabin experience".

The Ripple Ridge Cabin is first and foremost an emergency shelter.

If you have booked the cabin and there are people in need of shelter, they cannot be turned away. Provisions to accommodate must be made. Your cooperation will be expected and appreciated.

While at the cabin:

- No smoking.
- Dogs are not permitted. Mountain Caribou could be in the area.
- Stagleap Park also outlaws dogs entirely; leashed or not. Know before you go!
- If you arrive at the cabin before 12:00pm, put your belongings where they will not disturb the previous nights' occupants.
- Please be considerate of others; the cabin should be quiet by 10 pm if in a mixed group.
- Carry out **ALL** of your garbage.
- Do not store food outside the cabin – you will attract wildlife.
- Fill stoves and lanterns outside the cabin and leave extra fuel outside.
- Clean up after yourself.
- Leave the toilets in a clean and tidy condition.
When leaving the cabin:
- If your belongings will be in the cabin after 12:00pm, and you are not staying that night, be sure to pack everything up and leave it out of the way in a corner so the new guests can move in.
- Leave all tools inside the cabin when not being used.

- Empty all water containers and slop buckets before leaving the cabin.
- Take out all leftover food as food left in the cabin encourages rodents. (Other people generally won't use it as they don't know how old it is.)
- Close & latch the outhouse door when leaving to keep rodents & snow out.
- Close and secure the doors before leaving the cabin.
- Report any maintenance issues to the Recreation Officer (250-825-1212) or to RRRA at admin@ripplesridge.ca

Please clean up after yourself and leave the cabin in better condition than you found it.

Thank you for your consideration in following these rules, and have a great time!
